

- 1. 185 System
- 2. Polyroof GRP Fillet Trim
- 3. 18mm Polyroof Approved Plywood / OSB3 (TG4) Deck

**NOTES**

As an alternative to timber upstands a proprietary roof light with a GRP upstand may be used (UBBINK Ltd).

GRP upstand to be abraided and solvent wiped prior to laminating direct.

For further guidance please contact Polyroof Technical Services.
